ultime8
sublime oil treatment
cashmere skin, ageless beauty

The legendary oil was born in 2012.

With the discovery of the 8 essential oil blend in 1987, Shu Uemura Lab continued to improve on product quality, being the brand's basic cleaning oil for over 30 years. In 2012, ultimate skincare beauty champion of made its monumental debut, marking the beginning of a new legend.

With a precious combination of 8 oils of botanical origin, ultimate goes above and beyond outstanding removal efficacy, to soothe and hydrate, with a toner-like effect and a touch of cashmere, it delivers an unforgettable sensory experience.

today,
a new chapter of the legend begins
with the oil-infused essence.
